

## A/V to DisplayPort™ Adapter

## A/V to DisplayPort™ Adapter

### Installation Instructions

- Directly connect to the HDMI host source
- Optional: Connect the USB cable to boost the video signal
- Connect a DisplayPort cable (sold separately) in the shortest length needed
- Find a compatible video resolution between the host and output display
- Adjust the audio from the host and display menu selections

### Troubleshooting Tips

- Reboot the computer and connect the USB power cable
- 4K@30Hz video requires compatible equipment and a DP 1.1 monitor setting
- Test with a different DisplayPort cable and output display
- DisplayPort host to HDMI display is not supported

## **Customer Support and Contact Information**

Cable Matters offers lifetime technical support as an integral part of our commitment to provide industry leading solutions. Email us with any questions at [support@cablematters.com](mailto:support@cablematters.com).

## **Warranty Information**

This product is backed by a limited one-year warranty. Cable Matters warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair or replaced with equivalent products at our discretion. The warranty covers parts and labor costs only. Cable Matters does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

## **Limitation of Liability**

In no event shall Cable Matters Inc. (including their officers, directors, employees or agents) be liable for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of, or related to the use of this product exceeding the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

## **FCC Compliance Statement**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) This device must not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.
